The Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Bill:

As we come to the end of the exciting 1986 Combined Federal Campaign of the National Capital Area, I want to thank you for your very important role in making this our most successful CFC in history.

So far we have raised \$20,100,000--\$1.4 million more than last year and an increase of 7.5 percent.

253,663 or 66 percent of the Federal employees in the National Capital Area have contributed so far in the campaign, signifying the largest number of contributors since the 1978 Combined Federal Campaign.

Your own employees at the Central Intelligence Agency set a fine example by raising [redacted] percent participation and an average gift of [redacted]

Last spring I agreed to chair the Combined Federal Campaign because I knew I could count on your personal involvement in your Department and in the overall campaign. I was convinced that it would take an outstanding team effort for us to achieve our goal. Thanks to your enthusiastic support, we can all be very proud of our achievement.

Sincerely,
